O'Doul's goes Outside!

One of Vancouver's favourite restaurants hits the road

ROBSON STREET – O'Doul's Restaurant & Bar has been a tradition on the Vancouver dining scene for over 30 years, and now they're taking their fine food, award-winning wine list and enthusiastic service outside and hitting the road to your office, home, backyard and favourite venue.

"We've always done a fair bit of outside catering – cocktail parties onboard yachts on Fireworks evenings, VIP receptions and lunches for countless corporate clients and cultural institutions – and determined earlier this year it was time to dedicate more resources to these sorts of events," states Calvin DesChene Assistant General Manager responsible for food and beverage at The Listel Hotel and O'Doul's Restaurant & Bar. "The more we do, the more we get asked to do – it's a wonderful problem! And the good news is that as a hotel and restaurant we're well-equipped to offer great off-site catering."

The team. Led by Event Planner Cristina Lowe (formerly Catering Manager for The Listel Hotel and O'Doul's Restaurant & Bar) and Banquets Manager John Shepherd, who brings with him 20+ years of catering and hotel experience, the O'Doul's Outside team is proud to feature the fresh and inspired BC cuisine of renowned Executive Chef Tim Muehlbauer.

More than just a menu. Not only does O'Doul's Outside provide great food, they also have expert serving staff and can assist you with everything from original décor and flower arrangements, to choosing a venue and arranging rentals, entertainment and full bar service.

Whether it's an intimate dinner, a large gala or a casual summer barbeque, O'Doul's Outside promises you their undivided attention and endless creativity.

O'Doul's Outside is affiliated with O'Doul's Restaurant & Bar - one of Vancouver's favourite restaurants – and with The Listel Hotel – Vancouver's "most art-full" and interesting boutique hotel renowned for its art collection and its creative partnerships with some of the city's most significant cultural organizations.
